OLIVIA TITI-OFEI

Founder

MESSAGE FROM THE FOUNDER

Bishop Titi-Ofei and I have been pastors for over two decades. During this period we have had the privilege of counseling several Christian parents who are faced with the herculean task of raising godly children in a perverse generation. Most of these parents are concerned about what their children are learning from school.

Temple Christian International School (TCIS) is a response to the clarion call by many Christian parents for a school that will complement their efforts at raising godly children in a perverse generation by offering a world-class Cambridge Assessment International Examination (CAIE) Programme leading to IGCSE and Cambridge A levels for children between the ages of 10 to 18.

I invite you to join us raise a Godly generation together.

ABOUT THE SCHOOL

Founded by Bishop and Lady Olivia Titi-Ofei, Temple Christian International School aims to complement the effort of Christian Parents at raising godly children in a perverse generation by providing a world class education that integrates faith and learning in a secure environment.

TEMPLE SECONDARY

ABOUT THE PROGRAMME

The Temple Secondary Programme offers a five year world class secondary education in collaboration with Cambridge University leading to the International General Certificate Secondary Examination (IGCSE) awarded by Cambridge Assessment International Examination (CAIE).

LOWER SECONDARY (YEAR 7-9)

The Temple Lower secondary programme is typically for learners aged 10-14 years. The lower secondary programme sets clear learning objectives for the first three years of secondary education in English Language, Mathematics, Science, Global Perspectives and ICT.

UPPER SECONDARY PROGRAMME (YEAR 10-11)

The Temple Upper Secondary programme is typically for learners aged 14 to 16 years. It builds on the foundations of the Lower Secondary programme and leads to the Cambridge International General Certificate Secondary Examination (IGCSE). IGCSE is the world's most popular qualification. Cambridge IGCSE develops learner's knowledge, understanding and skills in:

- * Subject content
- * Applying knowledge and understanding to new as well as unfamiliar situations
- * Intellectual enquiry
- * Flexibility and responsiveness to change
- * Working & communicating in English
- * Influencing outcomes
- * Cultural awareness

TEMPLE SIXTH FORM

ABOUT THE PROGRAMME
